

## **APPLY TO BME NOW! ADMISSION PERIOD HAS STARTED**

**The application period for self-financed students has begun.**

BME's international study programmes are now open! Prospective students can apply from **April 1<sup>st</sup> to May 31<sup>st</sup>, 2024** to preparatory, MSc, and BSc programmes starting in the autumn term.

If you have already chosen your programme, please visit the [e-admission.bme.hu](https://e-admission.bme.hu), our [admission page](#), where you can fill in our online application form.

If you are still undecided, please visit the [xplore.bme.hu](https://xplore.bme.hu) website where you can browse the wide range of [programmes](#) we offer at BSc/BA, MSc/MA, and PhD levels, and find the one of your interests.

Before you apply, please read the [programme descriptions](#) carefully. It is also worth checking the [admission criteria](#) and tuition fee structure, language requirements, and scholarship possibilities as well.

From the BSc level, you will be required to take an entrance exam as part of the selection process. Please take a look at our [sample tests and practice site](#) to test your knowledge and prepare for the real exam!
