

Regulation on subject admission in BSc and MSc courses

Regarding BSc and MSc course registration, the following rules are applied:

- (1) Students participating in the BSc program of the Faculty of Civil Engineering can be registered only for subjects offered to BSc students.
- (2) Students participating in the MSc program of the Faculty of Civil Engineering can be registered only for subjects offered to MSc students.
- (3) Students participating in the pre-MSc program of the Faculty of Civil Engineering can be registered only for subjects offered to BSc students.

Budapest, January 1, 2018

Dr. Tamas Lovas

Vice dean for education

Faculty of Civil Engineering
